BRAND

Bocci

DESCRIPTION

The Series 14 Wall and Ceiling Light is an articulated, seamed cast glass hemisphere with a frosted cylindrical void that houses a low voltage lamp. Individual mounts are visually quite subtle but gain tremendous strength when multiplied and clustered in large groups. Available with 1.5W LED or 10W Xenon lamping. Choice of model 14s which includes a discreet 2.2 inch diameter mounting plate designed to be mounted on walls and ceilings with power supplies mounted remotely or 14sp which includes a 4.5 inch diameter mounting plate designed to be mounted directly onto standard junction boxes on walls and ceilings. Both versions are rated IP65 for outdoor use. Note: Unless otherwise specified, one class 2 power supply will be sent for every 5 xenon fixtures or every 12 LED fixtures.
